ELKS STAMPEDE FOR HILO TOWN

Members of Local Herd Take Passage on Kinau to the Rainy City.

The local Elks stampeded to the Wilder wharf yesterday, and boarding the good ship Kinau, steamed out of the harbor at the hour of noon en route to Hilo, where a lodge will be installed. The wharf was crowded half an hour before the steamer pulled out, and the Territorial band helped the time to pass pleasantly with a number of selections.

The party was evidently not taking any chances with Hilo weather, for rain coats, umbrellas and rubber boots were much in evidence when the departing Elks ascended the gangplank. The passenger list was as follows: Miss Wilhelm, H. Sloan, C. E. Moore, C. Furneaux, T. A. Lloyd Jr., Henry Roth, F. M. Brooks, W. K. Andrews, Col. J. H. Fisher, D. J. Cashman, A. Meyer, H. L. The seawall Walkiki of Naval wharf No. 2, will shortly be reinforced with a wall of coral rock.

The annual meeting of the Inter-Island Steamship Company, which was held yesterday, was adjourned until April 14.

There was no meeting of the Masters' and Pilots' Association last Sunday night, on account of insufficient attendance.

The following sugar is reported on Kaula: K. S. M., 500; V. K., 700; Mak., 16,150; G. and H., 8,900; McB., 33,000; K. P., 2,500; H. M., 1,530; K. S. Co., 5,000; and G. F., 6,810 bags.

Eureka for Kahului.

The Globe Navigation Company's steamer Eureka sailed for Kahului last night at 6 o'clock, where she will complete her cargo of sugar and proceed to San Francisco. It has been rumored for some time that the Globe Navigation Company intended purchasing a small steamer for the purpose of bringing sugar from the other Islands to the company's steamers in port. Such a course would save the company a great deal of time, for as things are at present the Globe boats, after discharging their freight, often have to wait for a sugar cargo. The Tampico, from Seattle, should arrive on Saturday.

After Curios

The British schooner-yacht Laurel will get away for Fanning Island on Saturday. Frank Burnett, her owner, with his wife and family, arrived by the Mowera last Saturday, from Victoria, and will proceed on the cruise. Mr. Burnett is making an extensive collection of South Sea Island curios, and it was with this end in view that the present trip was undertaken. The cruise is expected to last a year. Mr. Burnett's brother, who brought the Laurel down, will not continue the voyage, and his place will be taken by Captain Punt, who was engaged yesterday.

Niihau Arrives.

The steamer Niihau arrived from Hanalei yesterday morning, with 7,044 bags of sugar and one piece of machinery. The Mikahala was reported loading sugar at Waimea, and had on board 5,250 bags when the Niihau left. The Kaula was at Makaweli, loading sugar, and had 2,000 bags on board. The Waialeale has gone to Anahola to take a full load of M. S. Co's sugar for the steamer Eureka, which left here last night for Kahului.

A Bad Trip.

Captain Nilson, of the barkentine S. N. Castle, which arrived from San Francisco on Monday, says that the voyage was the roughest he has ever experienced. The only damage sustained by the Castle, however, was a jib, the mizzen topsail and one of the main jacks stays carried away. The barkentine brought two passengers, eight saddle horses, two cows and a bull.

W. G. Hall Sails.

The steamer W. G. Hall sailed for Kaula ports at 5 p. m. yesterday, with the following cabin passengers: Miss Mallin, A. S. Wilcox and wife, G. N. Wilcox, E. B. Mabie, Choo Fook, Lun Toy, E. Blake, J. Mallon, Charles Day, Mrs. Grote, Mrs. Kanehwa, R. B. Mitchell, Lee Sam, J. K. Kaula, J. K. Gaudall, Mrs. Hoomanawainui, J. J. Corcoran.

Her Century.

The Alameda will sail for San Francisco at 3 p. m. today. This will complete her one hundredth round trip between San Francisco and Honolulu. When she arrives at the Coast she will have traveled in the neighborhood of 1,250,000 miles, including the distances to her credit when she was on the Sydney run.

GERARD C. TOBEY WITH LIVE STOCK

Bark Arrived Yesterday With a Dog, a Horse and Some Chickens.

After the fastest run from San Francisco made by a sailing ship for a couple of months, the American bark Gerard C. Tobey, Captain Gove, arrived yesterday afternoon.

The bark left San Francisco on March 3 and made the trip in 15 days. For the first two days out calms prevailed, followed by a heavy southerly gale, during which the vessel was hoisted to for 36 hours. During the blow the sparker and the fore lower topgallant sails were burst. From March 9 until yesterday favorable breezes, moderate to strong, were met with.

The Tobey brings a general cargo consigned to Castle & Cooke. There were also on board a coop full of chickens, which laid regularly all the way down. A horse arrived on the vessel for Isador Livingston. It is a sorrel pacer, with a white stocking on one of its hind legs. The animal made a good trip and did not miss an oat on the way down.

There is one item of live stock which the Gerard C. Tobey brought down which must not be overlooked. It is Tobey, the old ship's dog, which has been everywhere, and is wise beyond the manner of his kind. So long has he been one of the ship's company that Mate Scott said yesterday that he really could not say whether the dog was named after the ship or the ship after the dog.
